

# Parental Information Sheet

Dear Parent/Guardian:

This year, \_\_\_\_\_ students and adults will be participating in the Burton 4-H Center field study. All students must have parental permission to attend this field study. Transportation is provided by \_\_\_\_\_. Any student unable to attend the trip will remain at school and follow a normal classroom schedule under the supervision of \_\_\_\_\_. This letter contains important information for your child to participate in this field study.

- Field Study Cost: \_\_\_\_\_
- Make checks payable to \_\_\_\_\_
- All permission slips, special needs, and money are due by \_\_\_\_\_.
- The field study trip will begin on \_\_\_\_\_ and will continue through \_\_\_\_\_.
- Students will depart at \_\_\_\_\_ and return to school on \_\_\_\_\_. Please be punctual at departure and pick up times.

## Purpose of Field Study

- To fulfill the Georgia Performance Standards' goals and objectives for the grade level in the most effective hands-on experience. Understanding concepts learned in the classroom is greatly enhanced when students experience the real world application of these concepts.
- To gain an awareness and appreciation for the natural environment. We are a part of, not apart from, the environment and only through an understanding of how the natural world works can we appreciate nature's beauty.

## PLEASE NOTE

- The Burton 4-H Center is **not** responsible for medical coverage. The student **must** be covered by a school and/or a parent in case of injury.
- If there are activities that your child can **not** participate in, please send us a note. We will see that he/she is excused from these activities and is supervised.
- If your child is on any medication or has any special dietary needs (allergies, religious restrictions, etc.), please notify us. Give the teachers **all** medications to dispense.
- Any student not complying with the regulations and expectations of those in charge of supervision will be returned home at parent's expense.
- Parents can call Burton 4-H Center at (912) 786-5534 in case of an emergency.
- Read the packing list and help your child be prepared. Children that are prepared have the most rewarding experience.
